

Optimized procurement Stronger partnerships Less complexity

We help hotels, restaurants, cafés and canteens get better purchasing conditions through strong supplier agreements, data and personal support.

As a member, you get better purchasing conditions, access to more than 100 suppliers, bonus opportunities, CO2 data, purchasing insight and personal support.

Samhandel is a non-profit association. That means our surplus is returned to our members.

Samhandel[®]

Det manglede da bare!

What we offer our members

Strong supplier agreements

Access to negotiated agreements to more than 100 supplier trusted HoReCa suppliers.

Bonus on purchases

Members earn bonuses on purchases made through Samhandel agreements.

CO2 data on your purchases

With Samhandel CO2Tracker, your CO2 data is calculated automatically from your purchases through Samhandel. It gives you a simple starting point for climate documentation and ESG reporting.

Better overview:

We help you gain insight into your purchasing, supplier use and purchasing patterns.
